## Introduction

The purpose of studying the Sacred Symbols of Sophia is simple: To activate the eight centers within the brain which lead to the development of cognition of the greater whole and that of compassion. Depending from the whence you begin this is either easy or difficult: It helps to have studied Reiki, helps but is not mandatory. What you will need is a to commitment the following:

- A. Purchasing the book Sacred Symbols of Sophia
- B. Reading the book
- C. Attend on line Zoom base Virtual Session to gain In Depth knowledge of Symbols.
- D. Attending the four day Practicum Workshop in Florida

If you have already purchased the book the step has been completed.

If you have not then it is available directly either from me, via Amazon or via PDF version.

The second step of the reading the book you might find somewhat difficult but persevere. It is often best to read it quickly through, do not try to understand everything, drink it in. Then re read it, re read it re read and gradually you will absorb even the most esoteric aspects often against your seeming will not to.

Committing to the four day work practicum you will be send links to the on line video tutorial to better prepare you for the experience. It promises to be life changing.

The information contained within this document is correct at the time of printing: Please check with airlines and travel companies prior to making a commitment. Anthony and Mary HHS LLP will not be held responsible for changes to dates and schedules mandated by external circumstances.
